

## Welcome Brenda Miller

**E**mbracing Options welcomes Brenda Miller as the new Center Director of our Webster location. Brenda lives in Williamson with her husband, Sam. They worship at Calvary Chapel of Webster where Brenda teaches a ladies Bible study and Sam is part of the worship team.

Brenda is looking forward to partnering with churches in Webster and the surrounding communities to share the love and compassion of Christ with women and babies. Her heart's desire is to share the options available to women who are facing an unplanned pregnancy and to walk with them through whatever choice they make. She is excited about the opportunity to expand the hours and services offered at our Webster Center to better meet the needs of our clients.

**WEBSTER CENTER EXTENDED HOURS:**  
Tue 12-7 pm, Wed 12-5 pm, Thu 12-7 pm, Fri 10-2 pm

## Mommy Pit Stop

The weather was beautiful for the annual Arnett Block Party held on August 4, 2018. This year Embracing Options hosted a "Mommy Pit Stop" for moms who needed to change a diaper, nurse a baby, or take a rest from the heat. Several moms stopped in to change diapers throughout the day and we even talked to one woman who is interested in volunteering!

The highlight of the day was watching the faces of the women we talked to light up as we shared with them that in God's sight she **was more precious than rubies** (*Proverbs 3:15*). We gave out over 100 cards with this Scripture verse on one side and the services we offer on the other side.

Would you join us in praying that these women discover how precious they truly are in the eyes of our Lord?

## THANK YOU FOR 5 YEARS OF BLESSINGS!

Over the last four years, the **Ray Dutcher, Jr. Memorial Golf Tournament** raised over \$26,000 for Embracing Options! Ray was passionate about life! He was a founding member of our Advisory Committee where he served for eight years. He was also instrumental in planting our Webster Center.

But that was only a small part of Ray's life. He was a strong Christian man, a great friend, husband, amazing father of three and a servant in and out of church. Ray was also on the board of the Good News Jail & Prison Ministry, took youth on annual mission trips, and was a lay leader at the United Methodist Church of Webster. Our brother lived out his life verse: Hebrews 10:24 *"And let us consider how we may spur one another on toward love and good deeds"*

This year's tournament on September 10 will once again benefit Embracing Options, along with the Wilmot Cancer Institute and the Webster United Methodist Church Youth Mission Fund. Thank you to Ray's family and all who work toward putting on this annual event and carrying on Ray's legacy of life.

**Stand with us to make a difference for life! Communities are changed by individuals speaking into the lives of others.**

**How can you be the hope in someone's story?**
